This plot is located just 5 minutes by car from the village of Rasquera.

On one side you have a breathtaking view of the mountains, on the other side you have a view of the picturesque Ebro valley and even the old Templar castle of Miravet.

As the crow flies it is around 6 km away, but you have to travel 27 kilometres by car as it is on the other side of the River Ebro.

The picturesque Coll de Pins mountain rises above the plot and the Ruta de l'Observatori de Líster passes nearby.

The plot is surrounded by almond trees. On a cosy, flat area there is an old building where agricultural equipment was stored. There is also a cistern for rainwater utilisation.
